

# Schoology PowerBuddy for Learning

## Paid vs. Included Features Comparison

Schoology customers can now explore the benefit of PowerBuddy for Learning by opting in to AI features included in Schoology. With access to a subset of our favorite AI content generation features, districts can witness how this integrated functionality benefits teachers and students.

In today's evolving education environment, K-12 schools and districts need an AI tool that:

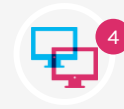

**Personalizes  
Student Learning**

**Saves Teachers  
Time**

**Uses Responsible  
AI Principles with a  
K-12 Focus**

**Works Directly in  
Schoology**

Here are the differences between the paid and the included features of PowerBuddy for Learning

Feature	Paid	Included
<ul style="list-style-type: none"> <li>Provides powerful AI tools in your native Schoology workflow and within PowerSchool's secure ecosystem</li> </ul>	✓	✓
<ul style="list-style-type: none"> <li>Quickly generate content such as passages, stories, or model texts as teachers create assignments or in the discussion board</li> </ul>	✓	✓
<ul style="list-style-type: none"> <li>Generate content that is human-centered, bias-resistant, and fine-tuned specifically for K-12 education</li> </ul>	✓	✓
<ul style="list-style-type: none"> <li>Provide students with access to a 1:1 conversational student assistant tailored to students' own learning needs and preferences</li> </ul>	✓	●
<ul style="list-style-type: none"> <li>Provide answers about district information and documents through the conversational assistant</li> </ul>	✓	●
<ul style="list-style-type: none"> <li>Robust usage allotment for widespread and consistent use across your district</li> </ul>	✓	●
<ul style="list-style-type: none"> <li>Included, but lower usage allotment</li> </ul>	●	✓
